

HOME ECONOMICS COOKING COURSE OUTLINE

Dear Parent/Guardian:

Your son/daughter is currently participating in the Home Economics portion of the Life Skills program. Due to the “hands on” nature of this course, the majority the student’s work will be done during class time and consequently they will not generally have homework.

Students will be marked on promptness, organization of work, use of equipment, observation of safety rules, quality of product, clean up, participation, cooperation with others, and tests and quizzes.

MARKS:	
Cooking Labs	65%
Final Cooking Test	15%
Final Exam	20%
Total	100%

If you have any question or concerns, please feel free to call me at school (852-9616). Thank you,
