Dear Parents:

King's Music has been the dealer of choice for Fraser Valley Music Programs for almost 20 years. Now that your child has chosen to be part of the band at Chief Dan George Middle School, we're excited to help you secure an instrument and all items you need for your child's involvement in band. Please read & follow these instructions:

***For ALL INFO regarding instrument rentals,
go to our secure website www.kingsmusic.ca,
and click on "PRE-REGISTER FOR BAND"***

In the contents of the form, select Chief Dan George Middle School.

PLEASE COMPLETE ALL the questions.

(Note that for some choices (e.g. used instruments) early registrants get FIRST CHOICE)

***FOR ALL COMPLETED PRE-REGISTRATIONS, your instrument will be ready,
so if you want it early, you can pick it up from our store by contacting us in advance. –
you'll just need to sign the contract and take your instrument with you.***

Instruments cannot be rented to minors without an adult. Parents/Guardians must be present to rent or pick up instruments, as *they* are responsible for payments and signing the contract.

You will need the following to rent an instrument (or to pick up a pre-registered rental):

Credit card used when you pre-registered for verification. Also bring a driver's license.

If you wish to use automatic withdrawal from a bank account, **please bring a VOID cheque.**

For all rentals, **you need to provide us with credit card number, driver's license & birth date as a security.**

Note that there is a minimum of three months payment on all new rental contracts
