Parent Teacher Conferences

We are excited to invite you to attend our Student-Led Conferences this term. Your child must attend the conference with you. Your child has been diligently working to create a portfolio demonstrating their learning and work habits. We truly believe to engage students in their own learning, they need to be responsible for accurately reporting reflections for the term and their goals for the new term. Your child will explain some of the curricular competencies and content they have covered in class and will evaluate their own level of effort throughout the term. Even if you have already seen many of their completed assignments, this conference allows your child to explain their learning to you and invites your compliments and questions.

Please note you must sign up by clicking on the link below as these are NOT drop-in sessions:
