Chess club begins this week in the Library Big room. Tuesdays from 2:20-3:20. Mr. Glum will teach beginners if desired. All are welcome!

## Book Fair

A huge thank you to everyone who supported our Book Fair last week. We sold almost \$4000 worth of books which gave us over \$2100 worth of free books for our Library!

## Wild Education

Wild Education will visit our school on **Wed, Nov 29th, 2017**, with their reptile exhibition and will be organized in 8 stations. We need some volunteer parents to help with the stations throughout the day (we are looking for parents who will be willing to come 30 min before morning bell for training, be comfortable with holding one animal at his/her station and to present some facts about the animal at their station, to the visiting students. Older siblings (ideally over 18 years old) would be welcomed as well as volunteers as long as they can commit to stay for the entire day. Please contact Mr. Mihaila, [cristian.mihaila@abbyschools.ca](mailto:cristian.mihaila@abbyschools.ca) if you would be interested in helping. Thank you.

## After school active program Mondays from 2:30 pm-3:15 pm in CDG Gym

This program consists of a variety of sports and games in a semi-structured environment led by Mr. Travis. It is mainly for students who are not currently involved in after school extra-curricular activities or those waiting to be picked up, but is available to all. It is a drop-in program, however, to ensure proper supervision the number of students will be limited to 20.
